## **XIV International Summer School**

# **THE MEDITERRANEAN BEYOND BORDERS**

**8 - 19 September, 2008**

**University of Trieste, Via Alviano, 18 - Gorizia**

*What lies beyond the borders of the Mediterranean? What roles may borders play in the enlarged Europe, in the Mediterranean and beyond? The XIV edition of the International Summer School on the Problems of the New Europe aims at providing an original interpretative framework for the social and political changes occurring at and within the European borders in the Mediterranean and beyond.*

### Topics

Beyond the borders of small and micro states;  
Beyond the borders of Mediterranean cities;  
Terrestrial transport routes and seaways to go beyond borders;  
Beyond borders of European and Mediterranean multiculturalism;  
Beyond the ethnic borders;  
Transborder planning;  
Beyond the border of uncertainty in Mediterranean societies;  
The Peace that lays beyond borders;  
*For each topic specific simulation exercises will be organised on what it means to go beyond borders.*

### **Call for Papers**

Original research papers will be published in an edited volume.

*Deadline [31/07/2008](#)*

### **Scholarships**

Full (board & lodging) scholarships are available  
Partial reimbursement for travel costs is available
